# Notes for Guidance

## *If your declaration covers donations you may make in the future:*

You can cancel the declaration at any time. It will not then apply to donations after whatever date you specify.

For us to be able to claim Gift-Aid back from the Inland Revenue in any tax year, the amount of your tax paid to the Inland Revenue in that year must be at least equal to the amount we wish to claim. Currently we can claim 28p for every £1 you give us, so, for example if you give us £500 in this tax year, you need to have paid the Inland Revenue at least £140, that is 28p x 500. We can then get that back from them - wonderful!

If your circumstances change and you will no longer be paying sufficient tax, let us know and we will cease to claim Gift-Aid on your gifts to us.

If you are a higher-rate taxpayer, you can also claim tax-relief on your gifts to us using your self-assessment form - also wonderful!

Please notify YFC EMENA if you change your address.
